

Partner Network — Factsheet

Quality | Environment | Sustainability

We don't hire. We partner.

VerdeVista partners with sustainability, ESG, environmental, and quality-management specialists — in Saudi Arabia, across the GCC, and internationally — to deliver work on the Kingdom's largest mega-projects and ESG-compliance engagements.

Who we work with	Energy + green building, ESG auditors, verifiers, ESG sustainability reporting consultants, energy auditors, environmental assessors, QHSE trainers
Where our clients are	Saudi Arabia and the GCC — mega-project supply chains including NEOM, Red Sea Global, Qiddiya, Miskiyah Gate, and other large-scale infrastructure, tier 1 suppliers
Where our partners are	Saudi Arabia, the wider GCC, and internationally
Engagement type	Project-based independent service contract — not employment
Tiers	Associate Partner / Senior Partner / Principal Partner
Payment structure	Milestone-based, on a stated schedule, settled within a fixed number of business days of client sign-off
Verification	Valid credentials & legal working status — Saudi Freelance License, Saudi Professional Consulting License, or passport-visa-eligibility, depending on where you're based
What you keep	Our own practice, your other clients, your professional reputation

How it works

- 1. Apply — one form, tell us your discipline and legal working status
- 2. Get verified — credentials and legal standing confirmed
- 3. Get matched — to live engagements by discipline, tier, and availability
- 4. Deploy — remote, hybrid, or on-site
